The First Colony Gators Swim Team will recognize you as a sponsor throughout the year, including recognition of your support at our three home meets, three away meets, our divisional competition, our website and at other events held by the Gators to support the team. With an average team membership of 200 swimmers, and visiting teams of equal size, this recognition will be noticed by over 300 families on a regular basis during the summer months.

The FCGST is grateful for the contributions made on behalf of youth athletics in our community and the Greater Fort Bend County area. Through your commitment you are making it possible for our swimmers to enjoy and excel at their sport. More importantly, our members are learning good sportsmanship, honesty, loyalty, courage and perseverance; all attributes that will help mold our swimmers into excellent members of your community.

The FCGST is a non-profit organization. All contributions are tax deductible in accordance with IRS Regulations governing non-profit organizations. Receipts and our tax id are available upon request. Sponsor questions can be directed to David Dunning, 281-620-0143, dwid@windstream.net
